EDUCATION

Yonsei University

M.S. in Artificial Intelligence, CIPLAB (advised by Prof. Seon Joo Kim); GPA: 4.3/4.3

Seoul, South Korea

Sep. 2025 – Present

Sungkyunkwan University

B.S. in Applied Artificial Intelligence; GPA: 4.24/4.5

Seoul, South Korea

Mar. 2020 – Aug. 2025

EXPERIENCE

Graduate Researcher

CIPLAB, Yonsei University

Jan. 2025 – Present

Seoul, South Korea

- Research generative models for low-level vision under Prof. Seon Joo Kim, currently focused on agentic image restoration
- Earlier work centered on HDR reconstruction and multi-exposure fusion using diffusion models and implicit neural representations
- Contributed to diffusion-model study and any-size image generation research within the lab

Undergraduate Research Assistant

AIM Lab, Sungkyunkwan University

Jul. 2024 – Jan. 2025

Seoul, South Korea

- Worked on MotionBERT-based 3D human pose estimation under Prof. Sungeun Hong

Republic of Korea Air Force

Military Service

Sep. 2021 – Jun. 2023

South Korea

PUBLICATIONS

Dual-Output Multi-Exposure HDR Reconstruction via SDR Fusion and Gain Map Inverse Tone Mapping

ECCV 2026

Jinho Kim, Jinwoo Kim, Seon Joo Kim

LIIFusion: Coarse-to-fine Framework for Generative MEF via Implicit Neural Representation

ECCV 2026

Sangmin Han, Jinho Kim, Jinwoo Kim, Dongyoung Kim, Seon Joo Kim

Exploiting Over-Exposure Tonal Priors for Two-Pass Diffusion-based Multi-Exposure Fusion

IPIU 2026

Jinho Kim, Seon Joo Kim

HONORS & AWARDS

- **AI SeoulTech Graduate Scholarship** (2025)
- **BEYOND GREEN AI For Thriving Future Pitch Competition**, UNESCO Global Forum on the Ethics of AI – Round 2 (2025)
- **AICOSS AI Capstone Design Hackathon** – 2nd Prize, Korean Association for Computer Education (2024)
- **SKKU AI-Education Hackathon** – 2nd Prize (2024)
- **AICOSS AI+X Industry-academic Cooperation Hackathon** – 3rd Prize (2024)
- **Presidential Science Scholarship** (2024)
- **Trelleborg Capstone Project**, THU Germany – Excellent Result (2024)
- **SKKU Dean's List** – 4.5/4.5 GPA in 21 credits (2023)
- **SKKU Learning Fair** – 3rd Place, Undergraduate Presidential Award (2020)

TECHNICAL SKILLS

Languages: Python, C/C++, Java

Research Interests: Computer Vision, Low-level Vision, Generative AI

Certificates: ADsP, Computer Specialist in Spreadsheet & Database Level-1, TEPS (440)

Languages Spoken: Korean (Native), English
